Published twice a year - (June and December)

The Journal of Tropical Diseases and Health Science (JTDHS) merupakan jurnal ilmiah yang dikelola oleh Poltekkes Kemenkes Kupang. Jurnal ini berfungsi sebagai wadah publikasi penelitian, kajian, dan perkembangan ilmiah di bidang kesehatan, khususnya penyakit tropis dan ilmu kesehatan terkait. Diterbitkan secara berkala, JTDHS bertujuan untuk menyebarluaskan informasi ilmiah kepada tenaga kesehatan, akademisi, peneliti, dan praktisi dalam upaya mendukung peningkatan mutu pelayanan kesehatan dan pengembangan kesehatan masyarakat.

The Journal of Tropical Diseases and Health Science (JTDHS) is a scientific journal managed by Poltekkes Kemenkes Kupang. This journal serves as a platform for publishing research, studies, and scientific developments in the health sector, particularly tropical diseases and related health sciences. Published periodically, JTDHS aims to disseminate scientific information to healthcare workers, academics, researchers, and practitioners in an effort to support improving the quality of healthcare services and developing public health.
